# About The Scholarship

## What is the Kyte Powertech Scholarship?

The Kyte Powertech Scholarship is a program designed to support talented students from County Cavan in pursuing higher education in Science, Engineering, or Business at Level 8. It includes financial assistance, mentorship, and practical work opportunities.

## Who is eligible for the scholarship?

To be eligible, applicants must:

- Reside in County Cavan for at least two years prior to their Leaving Certificate.
- Achieve a minimum of 520 points in the Leaving Certificate.
- Enroll in a Level 8 course in Science, Engineering, or Business at a publicly funded institution in Ireland or Northern Ireland.

## What benefits does the scholarship provide?

Recipients receive:

- €5,000 annually, paid in three installments.
- A one-time laptop and carry case.
- Personal mentorship from Kyte Powertech staff.
- Paid summer internships (one for three-year courses, two for four-year courses).
- A 12-month paid placement at Kyte Powertech after graduation.

# Application Process

## How do I apply for the scholarship?

Applications can be submitted online at [www.kytechpowertech.com/kyte-scholarship](http://www.kytechpowertech.com/kyte-scholarship) between January 29, 2025, and July 7, 2025. Leaving Certificate results and third-level offers must be uploaded when available.

## What documents are required for the application?

Applicants must provide:

- A reference from their school.
- A reference from a community member.
- Leaving Certificate results (uploaded within two days of announcement).
- Evidence of CAO/UCAS offers and registration.

## What is the selection process?

The selection involves:

- Initial shortlisting by a panel of Kyte Powertech executives and an independent adjudicator.
- On-site interviews with shortlisted candidates.
- Final selection by the end of September 2025.

# Terms & Conditions

## **Can the scholarship be terminated?**

Yes, the scholarship can be terminated if the recipient:

- Fails to maintain academic progress.
- Withdraws from their program.
- Engages in misconduct inconsistent with the program's values.

## **Can the scholarship be combined with other financial awards?**

No, recipients eligible for other scholarships or educational payments may be deemed ineligible.

## **Are recipients required to participate in publicity?**

Yes, recipients agree to have their names and images used in promotional activities for Kyte Powertech.

# Additional Information

## **What happens if I repeat an academic year?**

Scholarship funds will not be provided for repeated years unless under extenuating circumstances reviewed by Kyte Powertech.

## **How is personal data handled?**

Kyte Powertech respects data privacy and uses personal information solely for scholarship management. Data from unsuccessful applications is purged after two years.

## **Who can I contact for more information?**
